GREETINGS FROM YOUR EXECUTIVE DIRECTOR

The month of September brings excitement to our members and community. We are getting ready for our Open House at our new and improved Welcome Center on September 30th 2009.

We are developing a new ambassador team to celebrate our new members ribbon cuttings and offer support to our existing members. We are also offering to put together a marketing plan for new and renewing members to improve their ROI as a member of our chamber.

Finally, we are giving our members the opportunity to educate our welcome center volunteers so that business referrals will flourish. Together we will promote business and Community!
